POTTAWATTAMIE COUNTY IOWA

The marriage records were copied from the original records by Mrs. Charles E. Swanson and Mrs. Henry K. Peterson of Council Bluffs, Iowa.

The researcher should bear in mind the different methods used in spelling, and look for all possible forms. For example - Karney, garney. Some names are easily confused in copying such as Greene, Greve, Grove, Spelman, Spetman, and many others. It has not been possible for the compiler to determine just which letters have been meant from the copies submitted, but it is hoped that not too much confusion will result. Consult both men's and women's names in lists.

The following records are incomplete:

Acknet or Cocknel, Sam		wife's name not given
Beyer, Julius		Alvina ---
Day, John	(lic)	wife's " " "
Fair, James	(lic)	" " " "
Kennedy, Whitney		Name ---
Osborn, David		wife's " " "

(dates given in list)

Abbreviations and symbols used: (lic) license date
 Letters underlined - exact letter illegible and the possible letter follows underlined.
 Dates underlined - same meaning. example 1876 3
 cannot tell which is meant 6 or 3.

This volume is double indexed, both men's and women's names. Consult both lists.
